Date: September 10, 2004

INFORMATION DISCLOSURE STATEMENT

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sir:

Pursuant to 37 C.F.R. §1.97, as revised on February 4, 1992,
1135 OG 23-24, Applicant hereby calls the Examiner's attention to
documents listed on the attached form, which documents may be
material to the examination of this application. As this
application was filed after June 30, 2003, pursuant to 37 CFR
§1.491(b), copies of US patents and US patent application
publications are not enclosed herewith. Copies of foreign patent
documents and non-patent literature are enclosed herewith for the
Examiner's consideration.

The Examiner's attention is particularly directed to:

WO Patent No. 98/48403
EP Patent No. 1 107 220 A2
US Patent No. 6,730,966 B2

The family of JP 2003-295793 cited herein includes:
US Patent Application Publication No. US 2003/0222589 A1

The family of JP 2001-060076 cited herein includes:
US Patent No. 6,583,775 B1

No inference should be drawn that the attached list sets forth a comprehensive investigation of the prior art, that any or all are pertinent to the invention, or that any apparatus disclosed is equivalent to the subject invention.

The citation of the above-discussed documents is not to be construed as an assertion that more pertinent art could not possibly be in existence. Citation of any document herein is not to be construed as an admission that any subject matter disclosed in the document is necessarily within the inventive field of endeavor, that any disclosure is necessarily prior in time to a particular date which may be relevant to the instant patent application, and/or that any disclosure is otherwise necessarily prior art with respect to the instant invention.

Applicant also respectfully reserves the right to later set forth how the instant invention is distinguished over the disclosure of any document or other art, including the disclosure of those documents discussed herein, that may be cited by the Examiner in rejecting a claim in the instant patent application.

A first Office Action, Notice of Allowance or Issue Fee has not been received so Applicant does not believe that a fee is due. However, if any such fee is required, please charge our Deposit Account No. 50/1039.

Respectfully submitted,

A handwritten signature in dark ink, appearing to read "Mark J. Murphy", is written over a horizontal line.

Mark J. Murphy
